

Agricultural Crops Licensing Platform

Membership Application Form

About the ACLP:

The ACLP is aimed at enabling broad access to innovation in plant breeding by guaranteeing access for its members to patented traits in agricultural crops, including those developed by new genomic techniques (NGTs), present in commercial varieties on the open market in the ACLP territory. The ACLP intends to be a collaborative source for plant breeding innovations.

The ACLP is indiscriminately open and accessible to all legal entities:

- a. that are duly constituted and validly existing in accordance with the laws and practices of their country of origin; and
- b. that have a registered office within the Territory¹ or have an Affiliate² with a registered office located within the Territory; and
- c. that carries out or has an Affiliate that carries out an effective breeding activity in a Crop³ and/or a research and development activity for genetic traits in a Crop within the Territory.

¹ The Territory covers the following countries: Albania, Austria, Belgium, Bulgaria, Switzerland, Cyprus, Czech Republic, Germany, Denmark, Estonia, Spain, Finland, France, United Kingdom, Greece, Croatia, Hungary, Ireland, Iceland, Italy, Liechtenstein, Lithuania, Luxembourg, Latvia, Monaco, Montenegro, North Macedonia, Malta, Netherlands, Norway, Poland, Portugal, Romania, Serbia, Sweden, Slovenia, Slovakia, San Marino, Turkey, Ukraine and Russia

² Affiliate means, with respect to an Association Member of the ACLP, any other legal entity that Controls, is Controlled by or is under common Control of such legal entity. For any avoidance of doubt, an Affiliate can never be an Association Member.

³ Crop means the agricultural crops listed in Annex 1.a with the exception of any vegetable crop that is listed in Annex 1.b of [the Articles of Association](#).
